

# MyBath 4L

## The Complete Water

- Hinged lid is also removable
- Includes tube racks for 1.5/2.0ml, 15 and 50ml tubes
- Quik-Cal™, in-lab user calibration function
- Digital accuracy and convenience

This compact 4 liter water bath features easy to use controls that allow the user to digitally select and monitor temperature. Its hinged lid provides a secure, covered environment and can be flipped open (to the rear) or completely and instantly removed at the user's option.

The My8ath is also the only water bath that comes with test tube racks for 50ml, 15ml and 1.5/2.0ml tubes, making it complete and ready to use with all of the most frequently used tube sizes. Designed with the molecular biology lab in mind, the My8ath 4 liter is the complete personal water bath.
